

## **2-32 splitter box type**

## Overview

---

PLC Splitter Modules are available in the form of either plastic module cassette (an ABS box) with ruggedized fiber jackets of 2mm and up to 3mm, or LGX metal box for plug and play splitter applications. VOYGAR provides ABS Cassette PLC Splitter family has 1x2, 1x4, 1x8, 1x16, 1x32, 1x64, 2x2, 2x4, 2x8, 2x16, 2x32, 2 x 64 PLC splitter, with specifications that are tailored for different applications and markets. Sinocomms manufactures various types of PLC Splitters, including steel tube type, ABS box type, cassette type, rack mount type, and LGX type. All our fiber optic splitters are designed with precise alignment of optical fibers to provide equal optical power from input ports to multiple output ports. Datacom 1URack mount SC/APC, LC/APC splitter provides a compact solution for FTTH application.

## 2-32 splitter box type
