10m (32.81ft) 25G SFP28 Active Optical Cable

The 25G SFP28 Active Optical Cable is suitable for short-distance, high-speed connections within a data center, such as within a rack, between racks.

How to Choose the Ideal 25G Optical Transceiver?

However, choosing the most suitable optical module from a wide range of options remains a key challenge for many businesses during network deployment. This article explores the
