

300 Cable Tray Support Self-operated

Overview

The 300mm cable tray trapeze bracket is a prefabricated, ready-to-use support system designed to securely suspend cable trays up to 300mm wide with a 300mm drop. Built from hot-dip galvanised (HDG) steel, it ensures durability, corrosion resistance, and reduced installation time. OBO BETTERMANN has offered products and solutions for electrical installation for over 100 years. With our many years of experience, we are one of the leading manufacturers in this field. Cable routing dedicated for halls or sites with limited number of supporting structures. Are you looking for high-quality Cable Trays for improved cable management and organisation?

Look no further than our extensive range, featuring top brands such as our very own RS PRO, Cablofil International, Legrand, and StarTech. If you urgently need your order, you can select express AM shipping which will guarantee delivery by noon next day.
