Couplet Definition Couplet Examples Why Do Writers Use couplets? Other Helpful Couplet Resources Generally speaking, stanzas are used, much like paragraphs in prose, to group related ideas inside a poem into units of the right size. It follows, then, that couplets (being a shorter type of stanza) are generally used to create images or express ideas that are not exceedingly long or complex. The nature of rhymed couplets, in particular, makes them See more on litcharts Poem Analysis
