

ASEAN 10 Countries DAC High-Speed Cable 40G

Overview

The QSFP-40G-ACC10M direct attach copper cable assembly (also known as DAC) is suitable for very short distances and offers a highly cost-effective way to establish a 40 Gigabit link connectivity between devices using QSFP ports. 3ba and compliant MSA SFF-8436, application in 40G Ethernet, 100G Ethernet, infiniband QDR and Omni-path. DAC high speed cable can be divided into 10G SFP+ DAC high speed cable, 25G SFP28 DAC high speed cable, 40G QSFP+ DAC high speed cable and 100G QSFP28 DAC high speed cable according to the different transmission rate, mainly used for data center short distance direct connection. T&S has launched a newly engineered 800G optical transceiver featuring an MMC optical interface, designed to meet the evolving demands of high-performance data centers and next-generation network. T&S returned to the Asia Photonics Expo (APE 2026), held February 4-6 at the Sands Expo and.

ASEAN 10 Countries DAC High-Speed Cable 40G

10G/25G/40G DAC Direct Attach Cable , T& S

T& S Communication offers high-quality Direct Attach Cables (DAC) for 10G, 25G, 40G, 50G, and 56G applications, including SFP28 DAC, QSFP DAC, and passive
