

After-sales service for cable trays

Overview

After-sales services for cable trays are designed to ensure the smooth and continued operation of cable trays after installation. We currently sell domestically and export to Africa, North America, and the Middle East.

Perforated Cable Trays: Eurotray offers perforated cable trays in various types and service conditions, including heavy-duty, ladder type, formed type, ship type, economic series, and standard type.

After-sales service for cable trays

Cable Tray Systems

Cable trays offer continuous support of cables, are lightweight, quick and straight forward to install just about anywhere, and generally mean that changing cabling services over the lifetime of a project is
