## Signaloid C0-microSD

The Signaloid C0-microSD is a tiny programmable FPGA System-on-Module (SoM) that makes it possible to extend your existing industrial automation,

[Read More](#)

## i3 Micro - SenseI by TDK

i3 Micro CbM Sensor The world's first edge AI-equipped wireless mesh network compatible sensor module The i3 Micro CbM Sensor module was designed to

[Read More](#)

## Mini Power Module Integrates Coreless Current Sensing

Asahi Kasei Microdevices (AKM) and Silicon Austria Labs (SAL) have completed a proof of

concept for integrating a high-resolution, coreless current sensor directly into a power module,

[Read More](#)

## **AKM (Asahi Kasei Microdevices)**

AKM (Asahi Kasei Microdevices) offer a variety of advanced sensing devices based on compound semiconductor technology and sophisticated IC products featuring

[Read More](#)

## **inSupply Health**

Registered for the micromodules? Here's why completing all 5 matters! You've taken the first step by registering, now take it further and

## Micromodules against microplastic pollution , Ferdinand

To address these challenges in detecting microplastics, the Ferdinand-Braun-Institut has explored a new approach. To the best of our knowledge, we

## **Asahi Kasei Microdevices and Silicon Austria Labs**

Asahi Kasei Microdevices and Silicon Austria Labs achieve proof of concept for integrating current sensor into power module - Enabling downsizing

[Read More](#)

## **Micro modules World's smallest Bluetooth V4.1 Smart**

Sep. 29, 2015 TDK Corporation presents the world's smallest module\* for the latest Bluetooth 4.1 low energy (LE) specification. The ultra-compact dimensions of the

[Read More](#)

## **Asahi Kasei Microdevices launches camera-less integrated**

Asahi Kasei Microdevices' AiM radar modules address this need by combining compact radar modules with ready-to-use evaluation kits, and provide customers a streamlined path from concept to

[Read More](#)

## **Asahi Kasei Microdevices and Silicon Austria Labs**

Asahi Kasei Microdevices Corporation (AKM) and Silicon Austria Labs GmbH (SAL) have successfully completed a joint proof of concept for integrating
