

Albania UPS Power Battery System

Overview

Well, Tirana's new 84MW/168MWh battery storage system – the largest in Southeast Europe – is flipping that script. Operational since February 2025, this \$73 million project stabilizes a grid where renewable energy penetration jumped from 12% to 34% in just three years. Like a giant smartphone power bank for an entire city, this project uses cutting-edge battery systems that could.
