

ZTP Thermal & Power

Armenian grid-connected distribution box manufacturer

Overview

CJSC "Electric Networks of Armenia" was founded in May of 2002 as merger of four state regional companies ("Yerevan Electric Networks", "North Electric Networks", "South Electric Networks" and "Central Electric Networks") distributing and selling electric energy. Ltd has gained a huge reputation in the market as a noteworthy manufacturer of Power Distribution Panel in Armenia. We've been engaged in serving our comprehensive and customized range to customers around the globe. Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid / On-grid Microgrid, telecom site solutions, and home solar energy storage, ensuring reliability, efficiency, It is a container that meets megawatt-level power output requirements and integrates energy. It regulates the technical requirements for distributed generators to connect to the utility grid and supplements the already existing transmission grid code.
