

# **Austrian aluminum alloy cable trays are of high quality**

## Overview

---

High-quality aluminium cable trays designed for superior corrosion resistance and high strength-to-weight ratio. This article explores the design, benefits, installation practices, and real-world applications of aluminum alloy cable. We, one of the well-known Cable Trays Manufacturers in Austria, offer top-notch trays that keep your electrical system organized and protected.

## **Austrian aluminum alloy cable trays are of high quality**

---

### **Aluminum Alloy Cable Tray is Lightweight to Install**

Aluminum alloy cable trays have high corrosion resistance. They are suitable for power plant, chemical plant, petrochemical and other fields, especially suitable for
