

Belize Fiber Optic Communication

Overview

Speed: 60Mbps (Fixed), 35Mbps (Mobile) Special Notes: Popular with expats - demand growing. Various internet services offered range from home broadband to mobile data, fiber-optic connections, and wireless options for remote areas. Digi (Belize Telemedia Limited - BTL) Digi is the largest telecommunications company in Belize with mobile, landline. Radio stations: ~25 radio stations broadcasting on roughly 50 different frequencies (2007); state-run radio was privatized in 1998. But you can use Wi-Fi to get online via WhatsApp and FaceBook and other services, and you can also make phone calls and send text messages at no charge.
