

Cable tray laying pulleys

Overview

Cable tray pulleys come in various types, such as fixed, swivel, and tandem pulleys. Using the screws, the tray can be installed, Simple and convenient, save your time, much more convenient for leading the wires, with the screw easily adjusting the cable tray position and direction. Axle design, the red axle will roll with your wire, protect your wire from wearing. The flatbed casters from Katimex® are indispensable for a safe, simple and fast cable pulling via cable routing systems. Professional-grade cable tray rollers featuring 65mm large-diameter rollers, anti-slip bridge clamps, 330° adjustable angles, and a smooth-rolling axle design.
