

Cap-type waterproof optical cable

Overview

These cables are revolutionizing outdoor installations with their unique lockable bayonet MPO and LC connector design that provides IP68 rated Water immersion and dust protection. The choice of fiber optic cable depends on the specific needs of the application, as well as the. This Product Category has products that are hidden either due to your Product Country of Use settings or your chosen filters.

Cap-type waterproof optical cable

Guide of Waterproof Fiber Optic Connectors

Waterproof fiber optic connector designed to provide a watertight seal and protect fiber optic connections from moisture, water ingress.
