

# **DS6510 Fiber Optic Switch**

## Overview

---

Designed to enable maximum flexibility and reliability, the Brocade 6510 is a high-performance, enterprise-class switch configurable in 24, 36, or 48 ports. It supports 2, 4, 8, 10, or 16 Gbps speeds in an efficiently designed 1U package. Gen 5 Fibre Channel is the purpose-built, data center-proven network infrastructure for storage, delivering unmatched reliability, simplicity, and 16 Gbps performance. The Connectrix DS-6510B is a next generation 16Gb 1u 48-port Fibre Channel switch. Some resources are permission-based and can only be accessed with a corporate account.
