

Distribution Box 170

Overview

The Hubbell Wiring RU170W is a high-quality under cabinet distribution box designed for efficient power distribution in confined spaces. This slim, non-metallic box is crafted from durable stainless steel, ensuring longevity and reliability. Our conical postal and distribution boxes, specifically designed with sliding and lockable lid structure, comfortable handles, and ergonomic conical shape, cater not only to postal services, documentation, and document storage, but also to a wide range of industries such as logistics, supermarket. We offer bespoke, custom-made terminal boxes and terminal box combinations, as well as standard products with short delivery times.
