Samsung Galaxy S26 -- everything you need to know

We're well into 2026 and Samsung's plans for its Galaxy S26 lineup are becoming clearer. Samsung typically kicks the New Year off by launching its flagships, with

[Read More](#)

Types of Optical Modules

Therefore, when using such optical modules, select optical fibers of an appropriate length to ensure that the actual receive power is smaller than the overload power. If the optical fibers connected to a long
