

ZTP Thermal & Power

Dubai Laser Diode Patch Manufacturer

Overview

LASERON OPTOELECTRONICS - Precision optoelectronic solutions for aerospace, defense, medical, and industrial applications. Their product lineup features advanced devices under the Quanta system brands, ensuring safety and effectiveness through collaboration with. We have helped various government entities such as the UAE Armed Forces, Dubai Police and The Ministry of Interior develop in-house circuit boards for testing and implementation. The UAE laser diode market is poised for significant growth, projected to reach \$1.5 billion, driven by increasing demand for high-speed data transmission, telecom sector expansion, medical applications, and advancements in consumer electronics and automotive industries. With more than twenty years of experience providing off-the-shelf, configurable, and custom LED and laser solutions, ProPhotonix offers illumination solutions that meet the most complex requirements. Great Online platform to promote Brands and connect with numerous Brands requirements and companies in UAE as well as overseas.
