

Engineering-grade fiber optic splice box

Engineering-grade fiber optic splice box

Distributors: Splice Boxes & Optical Network Terminal Boxes

You can find fiber splice boxes and distribution boxes in the EFB-Elektronik online shop with a wide range of matching distributors, module racks, subracks and accessories.

Fiber Optic Splice Box, FIMP-XLE 62MM

Compact industrial splice box for 48 fibers. DIN-rail mounting. The FIMP-XLE splice box is available with ST, SC, LC-Quattro or E2000 couplings. The full configuration contains splice holders, splice

[Read More](#)

Optical splice boxes for fiber cabinets , Enoc System

Our splice boxes provide quick access, while protecting and organizing the fiber splices. The boxes have cable inlets with soft rubber seals. Rotatable splice

[Read More](#)

Fiber optic splice boxes

These boxes are engineered to withstand the demands of industrial environments and offer reliable performance. With the capability to accommodate up to 48 fibers through patching or splicing, the FP

[Read More](#)

Splice closures for fiber optic , Foss Fibre Optics

The splice box is designed to protect the fibers from the environment. The closures can be used in aerial, pedestal and underground environments. Inside the box
