

Fiber Optic Cable Heat Shrink Tube Support

Overview

A specially designed cross-linked Clear Heat Shrinkable tubing, with Clear fusion tubing liner, providing protection to fiber optical splices. High-performance insulation solutions are designed to meet the rigorous demands of modern fiber optic infrastructure. The edge is polished to make it completely free of burrs to prevent breakage when shrinking.

Fiber Optic Cable Heat Shrink Tube Support

Fiber optic cable protection

Our fiber optic heat-shrink sleeves are made of high-quality materials such as PEEK, PFA, FEP, PTFE, polyethylene and polyolefin, providing superior protection from
