

# Fiber Optic Communication Belize

## Overview

---

Fiber Optics driving technology in Belize tourism sector to safer standards. Various internet services offered range from home broadband to mobile data, fiber-optic connections, and wireless options for remote areas. Digi (Belize Telemedia Limited - BTL) Digi is the largest telecommunications company in Belize with mobile, landline. Radio stations: ~25 radio stations broadcasting on roughly 50 different frequencies (2007); state-run radio was privatized in 1998. The first thing cruise ship tourists will see when they arrive to do zip lining and cave tubing in Belize is a Belize Telecommunications Ltd. How Can I Stay Connected In Belize?

One of the most common questions we hear from travelers is, "How can I. BTL has joined with Huawei to lay down the Strategic Evolution Underwater Link (SEUL) submarine cable between San Pedro, Ambergris Caye, and mainland Belize. And based on my experience in San Pedro, with a direct connection to the Fiber network, I could honestly tell them that my internet service in Belize was as good, if not better, than the service I had in Hawaii before I moved.
