

# **Finland 72-core optical splitter box**

## Overview

---

This 72 core inline fiber splice closure can be used as fiber optic distribution box that designed for optical splitting, fiber splicing, cable joint, termination and distribution. Feature highlights: The 72-Core Optical Splitter Box is made of flame-retardant ABS and polycarbonate material, offering high impact resistance and IP55-grade protection. It is widely applied to the connection of the fiber play the roles in sealing, protection.
