

Finland delivery time micro-module explosion-proof type

Finland delivery time micro-module explosion-proof type

Explosion Proof Certification , SGS Finland

Explosion proof certification services from SGS - opening the door to the global market for equipment intended for use in explosive atmospheres.

R. STAHL explosion-protected system solution for automation

With the "Ex op is" or inherently safe optical radiation type of protection, suitable measures prevent ignition of an explosive atmosphere by optical radiation.

[Read More](#)

Explosion Protection Products , WAGO

The "blue" Ex i I/O modules were specially developed for this purpose. They form an intrinsically safe segment that can be integrated into a standard fieldbus node, offering all the advantages of state-of
