

## Overview

---

Explore an advanced dimension of cable organization with our Galvanized Cable Trays. Our cable ladder systems are available in Hot-Dip Galvanised (HDG) and stainless steel, with optional aluminium ladder trays for lightweight or corrosion-sensitive environments. Whether specifying a major new project, refurbishing existing facilities or doing the engineering, procurement and construction (EPC) for your end user, with T&B Cabletray, ABB offers reliable solutions designed conforming to ASTM A123 & ISO 1461 : m. EAE cable trays and ladders provide high-strength cable protection that protects the cables from external factors.
