

German Fiber Optic Logging Cable Connector

Overview

Based on proven military standard 38999 SIII electrical connectors, DEUTSCH Fiber Optic Physical Contact Series are ranges of fiber optic connectors that incorporate high-precision ferrules and alignment mechanisms to assure fiber alignment and minimize optical losses. Our products are designed according to individual requirements of our customers and handmade by our employees with maximum quality. With a high degree of automation in combination with state-of-the-art production equipment, we manufacture fibre optic patch and trunk cables in a wide variety of configurations and cover almost the entire connector spectrum on the.
