

H3C 10 Gigabit All-Optical Switch Fan

Overview

In H3C open application architecture (OAA), the switch can accommodate high-performance OAP modules to offer dedicated services such as firewall, IPS, or load balancing in addition to conventional forward.

H3C 10 Gigabit All-Optical Switch Fan

H3C S5850 Series Data Center Ethernet Switch-H3C

H3C S5850 series switches are data center-level high-density Ethernet switch products independently developed by H3C. The S5850 series switches are specially designed for data centers, supporting

H3C S6520X-SI Series Multi-Gigabit 10GE Switches-H3C

H3C S6520X-SI series switches offer high-density 10GE forwarding and can expand 10GE ports flexibly, working at wire-speed. It provides 16/24*10/1GE autosensing
