

High-precision cabinet distributor

Overview

Find top furniture cabinet distributors offering custom designs, bulk pricing, and verified suppliers. Our service offers greater choice across our established door families with bespoke sizing where needed, a full palette of finishes and options designed to. A production of 2,500 cabinets per year speaks for itself! Our production facility for control cabinets at the Offenbach headquarters enables us to react quickly and flexibly to customer requirements. In doing so, we orient ourselves to German and international standards regarding systems and. Owner Claudio Turelli says, they are using the RAS UpDownCenter metal folding system mainly for the production of electrical enclosures, server racks and metal cabinets, but also for many other mild steel and stainless steel components.
