

# How much does it cost to customize a circuit distribution box

## Overview

---

The basic cost to Remodel an Electrical Box is \$1,305 - \$1,581 per box in May 2026, but can vary significantly with site conditions and options. Use our free [HOMEWYSE CALCULATOR](#) to estimate fair costs for your SPECIFIC project. Understanding distribution box cost involves examining the comprehensive investment required for electrical distribution systems that serve as crucial infrastructure components in residential, commercial, and industrial settings. A low-amp subpanel costs from \$500 to \$1,000 while a 200-amp panel upgrade runs up to \$4,000. Total costs depend on the type of home, the number of circuits, and the amperage.
