

How much does it cost to install cable trays in a basement

Overview

TL;DR: Basic wireway systems cost \$8-15 per linear foot, while heavy-duty cable tray installations range from \$12-25 per foot including materials and basic installation. Costs vary based on tray material (steel, aluminum, or fiberglass), size, design (ladder or solid bottom), and installation complexity. When you embark on a new construction, you would like to know the prices of things. Ask ten buyers about cable tray cost, and most of them will point to the rate per meter.
