

# How to connect the tail sleeve

## Overview

---

Gently roll the padded sleeve over the tail tip and slide it up until the injured area is fully covered. If your vet has applied a dressing, make sure it is secure and breathable before sliding the sleeve on. So I want to make a fursuit tail sleeve like the one shown in Mugiwara Cosplay on YouTube's YT video on Tail Sleeve for fursuits. Tools; -Scissor -Sewing Machine -Pen I have fabric scissors, a sewing machine (That I. Before you begin reading I want you to know that this is how I recommend wearing tails that I have made and how I personally wear my tails. Dogs Leave the K9 TailSaver On, Injuries are Protected, Medicines stay on for Fast, Safe Healing. The K9 TailSaver® is a patented, vet-recommended harness & sleeve system engineered specifically for dogs with Happy Tail Syndrome — where repeated tail strikes against walls, crates, and furniture keep tearing wounds open before they can heal.
