

How to cover cables that extend beyond the cable tray

Overview

Fortunately, there's a simple and effective solution: cable raceways, also known as wall cord covers or surface raceways. Extending an existing wire mesh basket or cable tray system is much easier than it sounds. Shop for quality cable covers, floor cable protectors, hose ramps and accessories online at The Ramp People. This guide will walk you through the easy installation steps for a DIY cable cover. Whether you are working in high-traffic office spaces, corrosive industrial environments, or aesthetic-sensitive areas like hotels and shopping malls, the importance of selecting the.
