

How to remove the white tube inside an optical fiber cable

Overview

FOS03 Fiber strippers remove the coating from the fiber optic cable to expose the glass fiber. In this instructional video, Bob Licari, Test Equipment Product Manager, demonstrates a simple way to strip optical fiber. What's the best tool to remove the white/pvc tube on Corning ribbon cables?

After midsheathing the jacket, removing the shielding and the metal strength members, there's a white pvc/plastic tube that houses the ribbons.
