

Huijue 144-core optical cable

Overview

144-Core GYTY53 Fiber Optic Cable is a high-capacity, outdoor armored fiber cable designed for backbone and long-distance telecommunication networks. The optical cable transfer box is a transfer equipment that provides optical cable termination and jumper connections for trunk layer optical cables and distribution layer optical cables. We uphold a consistent level of professionalism, quality, credibility and service for 144 Core Fiber Optic Cable, Fiber Splice Protection Box, 1 32 Optical Splitter, Fiber Optic Closure, Fiber Optic Closure. Accurate process devices, Advanced Injection Molding Equipment, Equipment assembly.
