

# **Huijue Fiber Optic Patch Cord Introduction**

## Overview

---

Our fiber optic patch cords are engineered to the highest standards, boasting features such as RoHS compliance, LSZH, Riser, Plenum, OFNR, OFNP ratings, and options for simplex or duplex configurations. Fiber Optic Patch Cords are pre-terminated fiber optic cables used for equipment interconnection, test connections, and link extensions in optical communication systems. This product series covers Single-Mode (SM) and Multimode (MM, OM3/OM4) categories, supporting FC, LC, SC and other mainstream. The headquarter of HJ Network including the R&D center, technical center, prototype dept and sales is. As a leading supplier in the industry, we specialize in crafting top-quality fiber optic patch cords and cables tailored to meet the diverse needs of our clients.
