

JDG Bridge in Greece

Overview

Second to the Rion-Antirion, it is probably the most impressive bridge in Greece. It's part of the Kozani - Larissa National Road and is 15 km from Kozani and 7 km from Servia. This list of bridges in Greece lists bridges of particular historical, scenic, architectural or engineering interest. This table presents the structures with spans greater than 100 meters (non-exhaustive list). This ancient yet ever-new land offers an impressive array of both award-winning and history-making bridges to explore, experience, and inspire your imagination.
