

LC interface dustproof

Overview

LC Duplex Anti-Dust Adapter with inner shutter (Internal) to prevent eye exposure and dust. These connectors combine the compact form factor of a standard duplex LC with a rugged, waterproof housing, delivering high-performance optical links that withstand rain, dust, temperature extremes, and physical stress. Simply insert the dust covers into the LC port of any SFP/SFP+ transceiver in your network. Looking for a good deal on lc dust caps?

Explore a wide range of the best lc dust caps on AliExpress to find one that suits you! Besides good quality brands, you'll also find plenty of discounts when you shop for lc dust caps during big sales. Gloriole is one of LC licensees to manufacture standard LC connector, LC Unibody connector and LC adapter. The Siemon Ruggedized LC Fiber solution provides a robust fiber connection with an IP66/IP67-rated seal and is ideal for protecting fiber connections in laboratory environments, hospitals, food processing plants and other harsh environments.
