

# **Manufacturer of Cold Aisle Remote Monitoring Cable Trays**

## Overview

---

In 2024, Worthington Armstrong Venture (WAVE), a joint venture between Armstrong World Industries, Inc. , acquired all of the assets of Data Center Resources, LLC (DCR) related to the design and manufacture of customizable, modular aisle. The SmartAisle offering optimizes infrastructure deployment and management with an intelligent row-based system that integrates data center racks, power, row cooling, aisle containment, monitoring and control technologies for spaces with up to 40 racks. The aisle containment system is a modular rowbased thermal containment solution, which separates cold and hot data center air streams to and from equipment.
