

Nordic Engineering Plastic Distribution Box

Overview

Our product line Nordic contains robust storage boxes and lockable lids in five different sizes - 15L, 23L, 33L, 55L and one underbed with wheels. By combining technical expertise, reliable delivery performance, and a carefully selected network of suppliers, we help our customers increase yield, reduce operating costs, and minimize downtime. As part of the Beritech Group, we have expanded our capacity to deliver even more scalable and. We are one of the leading distributors of raw materials for the plastics industry in the Nordic region. From November 11-13, we will be exhibiting at Elmia Subcontractor in Jönköping, Sweden. Nordic Polymers is a distributor of Polymers and Masterbatches and represents a wide range of the world's largest producers of a variety of materials.
