

Optical Module Night Disk

Overview

The main trade show for the large optical module industry is the Optical Fiber Conference (OFC), that is held annually in southern California.

Optical Module Night Disk

Best star projectors 2026: Bring the cosmos indoors

You might not be able to get a seat on Artemis 3, or even 4, but the best star projectors will bring the night sky indoors.

What Is an Optical Disc Drive?

How Optical Disc Drives Work The core technology behind optical disc drives relies on

laser beams. When an optical disc is inserted, a laser light is directed onto its surface. The disc is
