

Outdoor fiber optic cable S-type fixing

Overview

S type Anchor supports self-supporting optical fiber cables with easy installation and secure grip. S Type Fiber Cable Clamp is designed to tension steel wire diameter up to 3 mm of FRP messenger of drop cable in outdoor FTTH. Should you require further details, please feel free to contact us: E-mail: info@jera-fiber. Outdoor fiber optic cables are critical for building stable, high-speed networks in real-world environments.
