

Price per unit of seismic bracing cable tray

Price per unit of seismic bracing cable tray

Seismic and cable tray solution flyer

Eaton's B-Line series cable tray with TOLCO seismic bracing is the recommended total solution for your project. Our cable tray, bolted framing, and seismic bracing are approved as one system through

Why do 150N/m Cable Trays Require Seismic Bracing?

Not all cable trays require seismic bracing. Smaller trays (e.g., 200mm) that contain only a few control or lightweight cables will typically have a total weight below 150N/m.
