

# Qatar Standard Power Distribution Box Series

## Overview

---

Qatar power strips and PDU power distribution units for surface mount, rack mount and general purpose applications. The product is equipped with supply socket modules meeting different systems and standards in the world. The series products can be produced accordingly to customers special requirements. As the server hardware density increases in your data centre or server room, it is vital the correct rack power strip or PDU's are specified and installed to safely supply the correct amount of power, monitoring and accessibility.
