

Secondary distribution box hanging

Overview

Suspendable power distributors that are mounted hanging from the ceiling to save space. Various versions of our AMAXX®, 3KRAFT®, AirKRAFT® and DELTA-BOX combinations are available. Many feeders leave substation in a concrete ducts and are routed to a nearby pole. ACS takes the basic idea of zone wiring and combines it with pre-cut, pre-tested cable and plug-in connectors, to provide power and telecommunication systems that can be installed under raised floors (The Intelligent Floor), or in accessible ceilings (The Intelligent Ceiling).
