

**ZTP Thermal & Power**

# **Sf fiber optic patch panel**

## Overview

---

FS offers FHD® FAPs and FHU™ 1U fiber patch panel with LC, SC, MTP®/MPO connectors in singlemode/multimode fiber to deploy medium for high-density fiber optic network applications. Patch panels and Optical Distribution Frames (ODFs) provide a clean and flexible solution for terminating and cross-connecting fibers in key network hubs like data centers and central offices. They serve as the central point where feeder cables, distribution lines, and active equipment ports meet. Consolidate your fiber optic connections in industrial environments with our DIN rail patch panel, with a modular design and tool-free installation save space and simplify deployment. AFL's portfolio includes modular and scalable solutions like the Denali High-Density Platform, LS Series, UltraSlim, U Series, and.
