

Singapore Optical Module Device Company

Overview

At SDO, we strive to deliver high quality optical components, modules and sub-assemblies for the precision optics industry, both local and overseas. We serve diverse applications including imaging optics, laser optics, LED optics, optical fibers, illumination systems, and. Headquartered in Singapore, NEXUSTEST is a global supplier of high-end test equipment for the optical and semiconductor markets.

Singapore Optical Module Device Company

Home-Bote Optics

We are a professional optical elements and lenses manufacturer with over 20 years of industry experience. We specialize in optical coatings, precision
