

Swedish OEM Drop Fiber Optic Cable G 652D

Overview

ITU-T (International Telecommunication Union) defines several single-mode fiber standards, including G. Then, the cable is completed with a white colour Low Smoke Zero Halogen (LSZH) sheath. Dielectric Cables provide the simple installation of standard cable with an easy-access, single-tube design.

UnitekFiber ensures a stable quality control system for our cable products through several programs including ISO 9001, ISO 14001 and ROHS. 652d 2core drum drop fiber optical cable outdoor 2000m/roll g657a1 1cores 2 core ftth drop fiber optic cable.

G652 and G655 Single mode Fiber Optics guide

There are two primary sources of the specification of single-mode optical fiber. One is the ITU-T G.65x series, and the other is IEC 60793-2-50.
