## Liquid Cooling

Liquid Cooling A full suite of liquid cooling options is now available across our data centre portfolio, capable of meeting the demands of the most powerful AI and high-performance workloads. Together

[Read More](#)

## Solutions

Cisco is leading this innovation with ongoing R& D into direct-to-chip liquid-cooled switching platforms. By connecting you to this technology path before launch, we invite you to

## **Global Switch launches liquid cooling suite at London**

Global Switch has launched a showcase of liquid cooling technologies at its data center in London's Docklands. Working with six vendors, the company

[Read More](#)

## **Capacitive Level Switch , Liquid Detection , Boiswood**

Capacitive Level Switches Capacitive Level Switches for Precise Liquid Level Detection  
We supply a wide range of capacitive level switch solutions designed for accurate and reliable level detection in

[Read More](#)

## **Global Switch Showcases Liquid Cooling at London**

Global Switch has opened Europe's first dedicated liquid cooling showcase in London's Docklands, marking a pivotal step in data centre

[Read More](#)

## **Exploring the Future of AI Networking: Liquid-Cooled Switches on the**

Imagine a data center where even the most powerful switches run cool and stable--without noise, thermal throttling, or energy waste. Cisco is actively innovating in direct-to-chip

## **Amazon .uk: Liquid Flow Switches**

Online shopping for Business, Industry & Science from a great selection of Valves, Pipe Fittings, Tube Fittings, Hose Fittings, Flow Switches & more at everyday low prices.

[Read More](#)

## **What is Global Switch's Liquid Cooling for Data Centres?**

This gives Global Switch flexibility to serve the full range of market requirements. "Across all our data centres worldwide, we are offering customers

[Read More](#)

## **What is Global Switch's Liquid Cooling for Data Centres?**

To meet the increasing power needs of AI and high-performance computing (HPC), Global Switch's London campus now hosts four live cooling

[Read More](#)

## **Global Switch Opens Europe's first liquid cooling showcase in London**

London, 16 June 2025 - Global Switch has opened the doors to a complete suite of the latest liquid cooling technologies, capable of meeting the demands of the most powerful AI and high-performance

[Read More](#)

## **Mellanox Liquid Cooled HDR 200G Multi-Host InfiniBand Adapters**

Mellanox® Technologies, Ltd. (NASDAQ:MLNX), a leading supplier of high-performance, end-to-end smart interconnect solutions for data center servers and storage systems, today

## **BT Trials New Liquid Cooling Tech for UK Network Switches**

Telecoms and UK broadband giant BT Group has joined forces with Iceotope to conduct

an " industry first " trial of " precision liquid cooled " network switches, which will be applied to their Juniper

[Read More](#)

## **Global Switch Opens Europe's first liquid cooling showcase in London**

It follows the roll-out of liquid cooling capabilities in Global Switch Hong Kong last year, with liquid cooling options now available across the breadth of Global Switch's international data
